DEDICATION

The Publications Classes of 1954-1955 wish to dedicate this Annual to the progress of our town, Vienna. A new factory is now in operation the streets have been black topped, a new water tower constructed, and city water has been put into the homes. ADMINISTRATION

Administration

Jack Allen, Superintendent

Seniors of 1955, we wish you success. By success we mean a long, happy, and useful life. Your success depends in a large measure on the choices you make. Within the next few months and the next few years you are going to make choices which will pretty much determine the rest of your lives. Some of these choices include, choice of vocation, choice of mate and choice of location for living. Endeavor to choose wisely and after having made your choice, determine to do your best in your undertakings.

J. Arthur Prewett, Principal

May these words be emblazoned in the hearts and minds of the Senior Class of 1955. Follow your dreams to their final culmination. Live honestly--by words and examples--for an honest man is truly the handiwork of God. Search for truth; its guiding light will make your life an honor to God and Country.
